

China

Tadeáš Svoboda 7.B

Information

typical dishes of China

- soup
- Meat and Poultry
- tofu
- fishes
- eggs
- vegetables
- noodles
- rice
- dumplings

Food and dining

- When dining out use chopsticks, soup spoon with her, usually porcelain
- The Beijing duck with her hands
- On the table may feature various sauces, pickles and condiments
- During the meal, the Chinese prefer to drink tea
- is customary after a meal serves alcoholic beverage

The most important raw materials of Chinese cuisine

- paste of black beans
- rice wine
- shallot
- tofu
- ginger
- soy sauce
- Sichuan pepper
- black mushrooms
- bamboo shoots

My recipe: pudding

- Pour into saucepan, 0.5 liters of milk
- Add the pudding and 3 large spoons of sugar
- cook pudding until it is thick enough
- Then you can serve food

The End
